## LEBRILLO

Few pieces can boast of having endured with such ease in history and it is the lebrillo has always been a fundamental element in the daily task of our ancestors.

Today, the few that remain have become authentic collector's items and the new ones are highly valued, since they represent one of the most identifying and beautiful symbols of our traditions and the beautiful work of the authentic artisan.

We present you a piece made 100% by hand and with all the flavor of tradition that only this type of artisanal processes can bring to a job.

# WHAT MAKES US DIFFERENT

## HISTORY

We have been a school of teachers, pioneers in Granada in the recovery of ancient ceramics and avant-garde in the creation of various lines of our own for more than 60 years.

## WE ARE MANUFACTURERS

We produce our products from the extraction of clay in our Granada quarries, to the production of our own glazes from the most recognized and deep knowledge of raw materials.

## LABORATORIES

Our extensive background allows us today to have our own specialized laboratories, where we carry out everything from the recovery of all types of ancient ceramics to the creation of the most avant-garde lines.
